EDITOR'S LETTER

I don't know about you lot, but I don't mind if I never hear the word Brexit ever again. So, with the exception of that occasion right then, we promise not to mention it again for the rest of the issue, which surely is almost enough of a reason to buy it on its own! Throw in all the staggering babes on display as well, though, and you really would have to be daft not to!

GIMME FAITH!

Dear *Mayfair*,
My wife Nicole and I have never really been ones to socialise – we've always kept ourselves to ourselves and don't have many friends outside a very close circle. That all changed, however, when Nicole met Faith through the PTA and started hanging out with her. I didn't mind – she seemed lovely – so when Nicole suggested that we go out to dinner with Faith and her husband Phil, I didn't object at all.

> "PHIL PULLED FAITH'S TOP DOWN AND BEGAN TO SUCKLE ON HER LARGE, BROWNISH NIPPLE."

We chose a fairly casual restaurant (but one that serves good food, of course!) and it turned out to be perfect, as both Faith and Phil turned out to be a very relaxed couple. We all got on like a house on fire and before long were roaring with laughter at each other's jokes. It turned out that Phil is a bit of an art aficionado wannabe, like me, and spends most of his free time on the golf course, as I do. By the end of the evening, it felt like we had all known each other for years. So, when they invited us back to their place for a couple of nightcaps and the lure of a real piece of Damien Hirst artwork to purview, we readily agreed – especially as nobody had work the next day and we weren't driving.

Once back at theirs (and after checking out Phil's art collection), we saw off a bottle of Champers, before getting stuck in to a nice bourbon. As we chatted away and got more and more drunk, the conversation invariably turned to sex. Despite Nicole and I not being particularly open with people about our sex life ordinarily, we were so comfortable that we found ourselves admitting to certain kinks and dislikes in the bedroom department.

It was a little strange listening to Nicole telling Phil and Faith how I bring her off. It was also sexy when Faith told us about how she discovered her G-spot and taught Phil how to fuck her so he would stimulate it. I was definitely feeling the beginnings of a hard-on, and I would have bet that Phil was too.

Then, out of the blue, Faith suddenly announced, "I'm so turned-on now – Phil you'd better fuck me!"

Somewhat shocked, I thought that they were joking, but she stood up and went over to Phil, plonking herself in his lap started to kiss and caress him. I didn't know where to look. Then I glanced at Nicole and I could tell she was as turned on as I was. We were both glued to our seats, though, initially too awkward with the situation to do anything but stare. Until, that is, Phil pulled Faith's top down and started to suckle on her large, brownish nipple, his other hand sneaking between her legs.

Something changed in me and I moved next to Nicole on the sofa, putting my arm around her shoulders and pulling her in for a kiss. She felt tense, but relaxed as I stroked her face and gently pushed my tongue between her soft lips, encouraging her to let go of her inhibitions. She responded by kissing me back, gently at first, but then more urgent, and as I moved my hand down to her bosoms, I felt her open up to me, giving me permission to go ahead.

Pushing the straps of her top from her shoulders, I exposed her breasts and fondled each in turn until Nicole's face became flushed – a sure sign that she wanted me. I glance over to Phil and Faith and realised that she had his cock out and was wanking it as he sucked away on her boob. This turned me on so

OIL BE DAMNED!

Dear *Mayfair*,
We're only one issue in, but for my money, *Mayfair*'s already featured their highlight of the year for 2017! What an absolute stunner Kerrie Lee is, with her perfectly toned body, flawless shaven snatch and those two delectable boobs, all oiled up and ready to play with! She's got a gorgeous smile, too, which always indicates a winning personality, so if you reckon you've got anything up your sleeve for the rest of the year that can top her, well good luck to you! The only way to possibly top this set would be if you got Kerrie back again, which is something I very much hope you're planning to do!
Eddie, Newhaven.
We'll be doing something seriously wrong if we don't get her back, Eddie - Ed.

THE LIGHT STUFF

Dear *Mayfair*,
Another cracking issue this month, but what I really wanted to mention (as a budding photographer) was the fact that two of the sets were clearly shot with all natural lighting. Firstly there was the ever classy Zoi, gazing wistfully out of the window as she peeled off her skimpy lingerie. Perhaps she's awaiting the return of her lover, where he'll be presented with the glorious sight of her writhing in the bed, her perfectly manicured pussy primed and ready for him. Sheer perfection!

And then there's Clea – the picture on page 77 perfectly demonstrating how light through a window can emphasize a curvy bum and lift it into the realms of pure art! My congratulations to the photographer in both instances – *Mayfair*'s always a class apart, but when it pulls off this sort of thing it strays into the realms of the sublime.
William, Norwich.

Thanks William - Mayfair doesn't get described as sublime anywhere near as often as we'd like, so your letter's much appreciated! - Ed.

much that my prick throbbed and I was almost desperate to get my wife's knickers off.

I slid off the sofa so I was kneeling in front of her on the floor, then began kissing my way up her legs and thighs, pushing her skirt up as I went. Nicole's breathing had become faster and I could feel her trembling beneath my touch. This just got me harder and I sped up, whipping off Nicole's underwear and replacing them with my face. I licked slowly at first, but quickly found my rhythm when I heard Faith start to groan loudly from across the room. I was dying to peak at them, but my tongue had wormed its way into Nicole's sticky hole and I wasn't about to stop now she was so close to letting me fuck her.

I felt her hands in my hair, pulling my face further into her pussy, so I stuck my tongue out as far as I could and began fucking her cunt with it. She whimpered something about needing me, so I pulled away and undid my trousers, pulling my turgid todger from within and presenting it to her like a prize. I was so hard, it felt as if my cock was bigger than it had ever been before. Nicole hates fellatio so I knew I wouldn't get any joy there, so I gave myself a few tugs before placing my helmet at her pussyhole and slowly pushing my way inside.

I slid it easily into her sopping hole and pushed my way in fully, so I was down to my hilt, filling her up completely. I took the opportunity to look over at our hosts, only to see Phil giving Faith some good hard thrusts as she knelt on all fours on the floor. Jesus, that was hot! I'd never been such a situation before and I almost felt like I was dreaming. Almost. Because feeling Nicole's tight, wet cunt around my dick as our new friends shagged in front of us was way too pleasurable a moment to be imagined!

As I screwed Nicole I fantasised what it would be like to fuck Faith and to get hold of her fantastic tits. That had me pounding Nicole's pussy even harder, and soon she was biting her bottom lip as she came. Her vaginal muscles contracted around my penis, gripping it tightly and making it twitch. While Nicole orgasmed, eyes shut, I glanced over to see Faith looking at me as she came! That was it for me, I couldn't hold on any longer, and I shot my load up my wife's cunt!

We see Faith and Phil regularly since that night – whether he and I have a game of golf, the ladies go to the spa or we hook up to fuck each other's brains out! It was on our third sexy session that I got my hands on Faith and her beautiful breasts – and I wasn't disappointed! We are now definitely swingers, but I'd say selectively so!
Doug, Tenby.

RAW BEX

Dear *Mayfair*,
Last summer my car packed up on me, which meant I had a few weeks of getting the bust to work before I managed to secure myself a new set of wheels. It wasn't so bad when it was cool… but I really missed my car's air conditioning on the occasional hot day. However, there was a welcome reversal of fortune when a feminine screech stopped the bus home just as it had started pulling away. Even I knew buses never did that and I looked down from the top deck, searching-out the source of the screech and reason for the sudden stop. There was a rapid click-clack of approaching high heels and I was treated to a spectacular, if fleeting glimpse down a girl's bouncing cleavage.

The owner of the cleavage staggered upstairs as the bus pulled away and sat down next to me. I eyed the still-heaving cleavage, which was on display due to a couple of buttons undone against the heat. Further down, a black skirt clung to hips and thighs like cellophane and a pair of divinely-inspired legs ran down to the strappy shoes. This woman was dressed to impress. It had probably been a good look back in her office, but here on the muggy top deck of the number 15 bus it was rather impractical.

"Mark" she said, and I guiltily dragged my eyes back up.

"Beccy?" I replied, recognising a girl from my past. In my youth I had imagined doing everything possible to that body, yet had been entirely unable to express my desires.

I was living the fantasy where Beccy was talking to me and my face hadn't flushed with embarrassment whilst my words were reduced to incomprehensible gibberish. True, there was still an echo of being out-of-control due to that disconcerting mixture of intimidation and raw lust that I have always felt in the presence of breath-taking beauty. But evidently, I had done some growing-up since I'd last seen her and was able to function as a human being as we sat together. She talked; I talked – we had a conversation.

"Well… this is my stop," Beccy said, all too soon. There was a look on her face, one which told me that she wasn't ready for this to end just yet. Neither was I – we'd been so busy swapping stories that we hadn't had chance to swap numbers. If I let her get off alone, I'd be risking losing touch with her again.

"Oh, I'll get off with you," I said, and I saw Beccy register the double meaning. The unthinkable happened. Beccy placed her hand on my leg and squeezed.

"Yes, I think there's a pretty good chance you will," she said, quietly. There was a faint but unmistakable smile accompanying the words. Had little Beccy just flirted with me? Beccy was downstairs by the time my dazzled brain registered the fact that I needed to move. I couldn't believe it – were my fantasies about to come true? One of them came true as soon as the bus left – I was alone with Beccy and she was smiling brightly at me. She licked her lips, swallowed and tilted her head back in an obvious invitation for a kiss. I was surprised – and pleased – and automatically moved into position, not daring to breathe.

It was electrifying as she pressed her mouth against mine. The kiss was chaste; a barely-there meeting

TIFFANY

Anybody out there old enough to remember Veronica Lake? She was a movie star who was at the height of her fame back in the 40s, so unless you're knocking on 90 or something, probably not. Then again, TV repeats and a homage to her in the (incredible) shape of Jessica Rabbit have kept her memory alive. Ahem, anyway, I've just noticed that Tiffany here bears more than a passing resemblance to Ms Lake – certainly in the face and hair department. It's hard to tell from her film appearances if Veronica looked much like Tiffany in certain other outstanding respects, but then Tiffany deserves plenty of acclaim of her own for those!

of lips but it left me tingling with heady emotions.

"Ewww, don't do that!" she squealed. I'd run my hand down the curve of her back from her soft hair down to the waistband of her skirt. Beccy's blouse was now stuck to the contours of her back like wet wallpaper. "Don't touch me – I'm disgusting," she said, and with that, she set off with a determined walk and as I followed her wriggling bum, the bright sunshine only partly responsible for the steam rising from my trousers. By the time we arrived at Beccy's place, I needed a cold shower for two reasons.

"Do you want to grab a quick shower?" Beccy asked, perhaps reading my mind. It was a relief to escape the heat of the day and I agreed that a shower would be wonderful. She placed a hand on my chest and kissed me again before giving me instructions for the shower and towels. I had just finished showering when Beccy walked in on me. She was naked too. Brilliantly, blazingly naked, seemingly unself-conscious as I stared at her body; bare breasts which looked oversized for her small frame, sexy flat stomach curving down to a crotch dusted with a carefully-cropped fuzz of pubic hair and the darker skin of her labia clearly visible between her legs. I'm sure that her legs were slender and shapely but to be honest, I didn't look any further down.

I dragged my eyes up to hers, only to find Beccy looking down with a look of amused wonder on her face. My cock was already fully erect.

"Wow," was all she said, as she stepped into the shower and moved under the jet of cold water. I saw her skin tighten and her nipples go hard. "Do you think you could just do my back?" Beccy asked. Her face was serious but her eyes were shining with excitement. I stepped back behind the shower screen and rubbed the proffered gel into Beccy's shoulders, then her back before rubbing lower, and lower.

"That feels good," Beccy murmured, wiggling her bum against the grip of my hands. "Now I think you should do my front," she said, turning round. As she did so, her soapy hand found my cock and started stroking it. I was suddenly so hot that I felt like I was perspiring even though I was standing in a cold blast of water. As our naked bodies moved together my hand found its way between Beccy's legs and started rubbing. Her legs parted and as I penetrated her with my middle finger I felt rather than heard the muffled moans as she pressed her face against my chest.

I continued to rub my finger inside Beccy's pussy until her handiwork meant I was in danger of blowing my load, despite the cold water. As an escape I dropped to my knees, freeing my cock from her expert grip and gently polished her clitoris with my tongue until I felt her vaginal muscles spasm with orgasmic release. The small bathroom echoed to the uncontrolled sounds of Beccy's orgasm as powerful grunts softened to groans and then sighs. As I crawled-out from between her legs and returned to my previous position, Beccy seemed to be in a daydream. "That was…" she said, leaving me in no doubt that it had been good for her. Beccy made a move to drop her mouth towards my cock to return the favour.

> "AS I PENETRATED HER WITH MY MIDDLE FINGER I FELT HER MUFFLED MOANS…"

A flood of remembered fantasies filled my mind but I intercepted her and guided my cock into the 'V' of her crotch.

Beccy's fingers played over my tip as she pulled my foreskin back and guided my aching hard-on inside her. Her pussy was almost impossibly tight – soft, smooth walls gripped my throbbing rod and there was a wonderful compression as she flexed her muscles around my cock. I started shafting her with soft, slow strokes – barely daring to fuck her at all – not because that was what she wanted but because the waves of thrilling ecstasy rushing through my body as a result of each single stroke were more intense than the sensation of full intercourse had been with other lovers. It was like every orgasm from all my wank-fantasies about Beccy had gathered together to be released as one.

I kissed her – she tasted fresh and clean. Her skin was cold now and goose-bumps were rising under my hands, yet my tongue was surrounded by warmth as Beccy opened her mouth against mine. The wet velvet heat gripping my cock was suddenly more than I could take. I prodded into her again and felt the sucking of an orgasm as the stimulation tipped me over the edge. "Oh, Beccy!" I groaned, and I held onto her, fearing that my knees would buckle under the strain of the endless waves of sheer pleasure.

She started laughing. "Oh, I'm sorry Mark," she said, as the giggles took hold. "No-one has called me 'Beccy' in years – I'm known as Bex now."

And that's what I've been calling her ever since, whenever I give her a lift to work and home… to my place!

Mark, Winchester.

GREEN BELTER!

Dear *Mayfair*,
I've lost count of the number of times I've emailed you asking when we'd next be seeing Emma Green in your mag *(looks like it's 14, according to our records – Ed.)*, but every email was worth it thanks to the latest set of her. For my money, Emma's the epitome of what a *Mayfair* girl should look like – lovely natural curves, a gorgeous face, and a propensity for wearing alluring lingerie! Oh, and a gorgeously neat pussy, too! Please don't leave it for so many emails before you feature her again!
Alan, Bristol.
Well Alan, that all depends how frequently you send those emails, doesn't it? – Ed.

Good grief – according to our records we haven't introduced a sizzling new debutante since, ooh, last issue! So with that in mind, and given that we're a solid 15 pages into this issue, it's about time we presented another one, don't you think? Yasmin's only a wee slip of a 20-year-old, but she certainly knows how to pull off that classic *Mayfair* look, doesn't she? Lacy lingerie with a suspender belt and flesh-coloured nylons? We don't mind if we do! The only thing that could make here more appetizing than she is already would be if she had a choccy mousse tucked behind her sofa!

TRIM DIESEL!

Think diesels are a bit on the dull side? Well not if they're £135k Bentley diesels they're not - as our man quickly realised...

Since its founding Bentley has never offered a diesel-powered vehicle. That is until now, and it's called the Bentley Bentayga! Bentley claim that they left no stone unturned in their efforts to venture into uncharted territory and this can be seen in the development programme for the Bentayga Diesel, which has been the most exhaustive in the brand's history, ranging across five continents. From the dirt and gravel of South Africa and the dunes of Dubai, to the muddy fields of Cheshire, and from -30°C in the frozen

North Cape to searing 50°C desert heat, the Bentayga's ability to perform on any surface and even in the most extreme conditions has been proven.

Under the bonnet of the Bentayga is the next-generation 4.0-litre V8 engine, mated to a ZF eight-speed automatic transmission, which develops a class-leading 429bhp and 664lb/ft of torque. Variable-geometry, sequential twin-scroll turbochargers are powered by the exhaust gases, while a third electric supercharger – powered by Bentley's innovative 48V system – spools up within 30 microseconds to eliminate turbo lag. The effect is effortless, seamless power delivery across the entire engine-speed range – the quintessential Bentley driving experience. This enables the Bentayga Diesel to deliver a 0-62mph time of 4.6 seconds and a top speed of 168mph.

The Bentayga Diesel demonstrates the same authentic and modern British luxury design as its W12-powered stablemate, while also benefitting from a number of unique styling additions. These include a V8 Diesel badge embedded on the lower front door edge, complemented by a new Bentley 'twin-quad' exhaust tailpipe design, which provide a further subtle reminder of the new engine specification. Further distinctive external styling cues include a bold, black matrix grille with chrome surround and central bar, which serves as a signature for the powertrain that lies behind. Stunning 20 inch ten-spoke alloy wheels are offered as standard but if you've got the spare change in your pocket optional Mulliner Driving Specification 21 inch wheels – available in a silver or grey painted finish – can be added.

Inside the Bentayga the cockpit sets new standards for both luxury and precision, with meticulous tolerances between the exquisite veneered woods and metal elements. The hand-selected veneers – including a new Liquid Amber finish introduced with Bentayga Diesel – form pure and elegant surfaces throughout the cabin. Owners of the Bentayga can also enjoy an exquisite integrated Hamper Set, complete with refrigerator, bespoke fine Linley china cutlery, crockery and crystal glass, and storage area for dry goods. For comfort in the great outdoors, sections of the hamper can be removed and used as seats.

A suite of state-of-the-art driver assistance systems and infotainment features designed to enhance safety, comfort and convenience make the Bentayga Diesel an innovative, advanced and connected luxury SUV. It offers the widest range of on- and off-road drive settings of any vehicle via Bentley's Drive Dynamics Mode and optional Responsive Off-Road Settings. Up to eight modes are available, allowing drivers, at the simple turn of a dial, to select the perfect dynamic set-up for any surface or road condition. This versatility is complemented by Bentley Dynamic Ride (electrically activated 48V active roll control) and Electric Power-Assisted Steering (EPAS).

Adaptive Cruise Control (ACC) including Stop & Go, Predictive ACC and Traffic Assist enables the driver to maintain a set distance to the vehicle in front. Predictive ACC uses the navigation data, sensors and cameras to predict upcoming corners, city boundaries and speed-limit changes and can then modify the vehicle speed accordingly, improving both comfort and fuel economy.

In urban environments, there are a number of driver aids available on the Bentayga Diesel. These systems – such as Traffic Sign Recognition, which detects a wide variety of traffic signs and displays information to the driver; Rear Crossing Traffic Warning, which uses radar technology to detect crossing traffic when reversing out of a parking space; and Top View, a system which uses four cameras to display an overall picture of the vehicle's surroundings – combine to enhance everyday usability.

> "INSIDE THE BENTAYGA THE COCKPIT SETS NEW STANDARDS FOR BOTH LUXURY AND PRECISION."

Other innovative systems available include Electronic Night Vision, which uses infra-red technology to identify potential obstacles ahead, and a Head-Up Display, which reduces driver distraction and increases safety. The Bentayga's eight-inch touch screen infotainment

"SEAMLESS POWER DELIVERY ACROSS THE ENTIRE ENGINE-SPEED RANGE... ENABLES THE BENTAYGA TO DELIVER A 0-62MPH TIME OF 4.6 SECONDS."

system boasts class-leading navigation technology, a 60GB hard drive, and a choice of up to 30 languages.

Rear seat passengers also benefit from the introduction of the Bentley Entertainment Tablet – a removable 10.2" Android device with 4G, WiFi and Bluetooth for effortless, high-speed on-board connectivity. Customers can choose between three different sound systems for the Bentayga Diesel: Bentley Standard Audio, Bentley Signature Audio and Naim for Bentley Premium Audio. The latter is the most powerful system in the segment, with 1,950 watts, a network of 18 speakers and super-tweeters for unrivalled recreation of the highest audio frequencies. Sounds pretty good, eh? Too right it does!

Perky Lola here might be nearer 30 than 20, but she's clearly keeping herself in trim, isn't she? To be honest she could have told us she was 19 and we wouldn't have quibbled (although we might have got a bit antsy about using a set or three of her a few years ago!).

"Ah yes, I did do some modelling a few years back – I wasn't sure if you'd remember me or not..."

Not remember you? Why here at *Mayfair*, we always remember a pretty face!

"It wasn't exactly my face you were looking at last time!"

Ahem, we remember those, too.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

A blind guy walks into a restaurant and sits down. The owner walks over and hands him a menu.

"I can't read that, I'm blind," says the blind man. "But just bring me a dirty fork.

"Would you mind if I tried to kiss you goodnight, Linda?"

I'll have a smell of what the person who used it was eating and I'll have that." The owner is a bit confused, but does what he's asked. The blind man takes the fork, puts it to his nose and breathes.

"Pork chops and mashed potatoes," he says. "Yes, that's what I'll have." The owner is amazed, but goes to the kitchen and tells his wife Mary what's been ordered. She sets to work cooking his meal.

A couple of weeks later the blind man comes back. The owner doesn't recognise him and brings a menu over again. "Don't you remember me?" says the blind man. The owner apologises profusely and goes off to get a dirty fork for the blind guy.

"Beef Wellington," says the blind man. "Ideal." The owner goes back to Mary and says. "I don't believe this guy can really tell what people have been eating just by smelling the fork. I think he's bullshitting me."

Another couple of weeks go by before the blind man comes back again. This time the owner is ready for him. He says to his wife, "Here, Mary. Rub this fork on your pussy and we'll see if this guy is bullshitting us."

When the blind man has sat down the owner walks over to him and says. "Hello Sir. I remembered this time. Here's your fork." The blind man puts the fork up to his nose and inhales deeply.

"Bloody hell," he says. "I didn't know Mary was working here!"

A bloke is going to bed one night and opens his son's bedroom door to check on him. His son is having a terrible nightmare. The father wakes him up, tells him there's nothing to worry about and asks if he's OK.

"I'm scared," he says. "I dreamt that Uncle John had died." The dad tells him not to worry and that Uncle John is fine. The next day Uncle John keels over and dies.

A few nights later the man again hears his son having another nightmare. He goes into his room and wakes him up. "I dreamt that Nanny died," says the boy. The dad tells his son that Nanny is fine and gets him back off to sleep. The next morning Nanny dies.

A week or so later the father hears his son having yet another nightmare. When he wakes him up this time the son is inconsolable. "I dreamt that you died, dad," he sobs. The man doesn't want to frighten his son, tells him that he feels fine and manages to get him to sleep again. Of course the man is terrified and can't sleep, then gets up for work the next morning believing that this will be his last day on earth. He drives really carefully to make sure he doesn't get killed. He can't concentrate on anything and jumps whenever he hears the slightest sound. All in all it's a shocking day.

He finally makes it home in one piece, but looks terrible. "You wouldn't believe the day I've had," he tells his wife shakily. "Well if you think your day was bad," says his wife. "Just think of the poor milkman. He dropped dead on the doorstep this morning."

A little boy goes on holiday with his naturist parents and ends up on a nudist beach one day. The dad decides to go for a stroll and the little boy runs off to play in the water. Soon he comes running back to his mum and says, "Mum. I saw some ladies and they had much bigger boobies than you."

"Well remember this," said his mum. "The bigger they are the dumber they are."

Off he goes back to play. A few minutes later the boy comes running back up and says, "Mum. I saw men with winkies that were much better than Dad's."

His mum smiles. "Remember, son. The bigger they are, the dumber they are."

He goes back to playing again. Half an hour passes by and once again the boy comes running up to his mum. "I just saw dad talking to the dumbest woman I've ever seen and the more he talked to her, the dumber he got!"

A little lad is helping his grandad rake leaves in the back garden. The little boy comes across a worm trying to dig itself back into a hole in the ground.

"Grandad, I bet you five pounds I can put that worm back in the hole," says the boy. The old man smiles. "I'll bet you five pounds you can't. That worm is much too wriggly to put back."

The little boy runs off into the house and comes back out with a can of hairspray. He sprays the worm until it's stiff, then pokes it back down the hole.

The grandad admits defeat, gives him the fiver, then goes inside. He's back 30 mins later and gives the boy another £5. The little boy says "But you've already given me £5 for the bet Grandad." "I know," says the old man. "This is from your grandma."

Not surprisingly, the delectable Dannii Harwood raised quite a few eyebrows – not to mention trouser fronts! – when she made her *Mayfair* debut back in the autumn, so we thought it only fitting that we invited her back for another shoot before 2017 got too long in the tooth. That way, we'll get a few more chances to drool over – I mean admire – her during the course of the year. See, occasionally the Ed actually does have a half-sensible idea in his head!

Scene from MAYFAIR

We've been rather inundated with goodies here at Mayfair this month, but here's the pick of the crop for your delectation. We'll stick the rubbish in next month...

BRING ME THE HEAD OF ALFREDO GARCIA

Sam Peckinpah's one of those directors who blazed a unique trail and who, as a result, always tended to divide opinion. With films like Straw Dogs, The Wild Bunch and Cross of Iron, he developed the elegiac nature of screen violence from something that often pulled its punches into something much more visceral, paving the way for much of what was to follow. And with Alfredo Garcia he was right on top of his game, for once being allowed to make the film he'd envisioned without undue studio interference.

The film stars Warren Oates as a pianist who plans to get rich by tracking down Garcia (who's got a price on his head after knocking up the daughter of a crime lord. Taking his girlfriend (Isela Vega) with him, the lovers soon find themselves thoroughly out of their depth. Shocking, touching and uncompromising, this is a film not easily forgotten.

THE BUREAU

It's hard to know whether that foreign telly's getting better than it used to be, or whether this country went loopy for Scandi stuff a few years back we're just getting exposed to it a lot more, but it seems hardly a month goes by without another classy subtitles offering plopping onto our reviews desk - and here's this months! France has already proven itself pretty adept at this sort of thing with Spiral, but this time round they're straying away from cops and lawyers into more Homeland territory. Thankfully, these days the French Secret Services are capable of more than just sinking the boats of eco-campaigners - there's all sorts going down in Algeria and Iran to keep them busy, and with a classy cast that stars Mathieu Kassovitz as one of the agency's top agents, this is 10 hours of telly that'll keep you engrossed from start to finish – and you can turn off the subtitles and polish up that GCSE French while you're at it!

WITNESS FOR THE PROSECUTION

Toby Jones has somehow morphed into a male Olivia Colman, hasn't he? Anything worth watching, there he is, looking suitably hangdog in quality TV from *The Detectorists* to, well, this, now! Viewers (or readers) of a certain age will probably be pretty familiar with this Agatha Christie classic, which in all honesty is a pretty flimsy little tale but which contains a stonking twist that makes it all worthwhile. This TV adaptation, which was one of the Beeb's flagship production over Christmas, tinkers with things a little bit, so that anyone who remembers the wonderful Billy Wilder film of 1957 won't feel it's too much of a retread. Jones plays a downtrodden solicitor who gets a case he can really get his teeth into, and while he's predictably terrific in the part, it's Andrea Riseborough's scheming *femme fatale* who really steals the show.

TOMMIE JO

Age: 26 **Vital Stats:** 32DD-26-36 5'7"
Photographer: BB Media

Being highly cultured types here at *Mayfair*, we all naturally popped into the ROH for its traditional staging of The Nutcracker Suite over Christmas. Sadly we'd had a bit too much mulled wine beforehand, so most of it passed us by – but we reckon Tommie Jo going through her ballet steps for us here is more than ample compensation. OK, so there might not be the music or the stage dressings, but TJ undressing knocks all that into a cocked hat! Can you think of a tastier looking cracker for your nuts? Nope, us neither!

Who knows what's going to go down in 2017, so it might be worth stocking up on scruff just in case things all go tits up, don't you think? At least that's our reviewer's excuse - and he's sticking to it!

Harmony Films

BAD WIVES

★★★★☆

CAST: Ash Hollywood, Amira Adana, Regina, Athina, Nicky Thorne.

If my old lady got legendary cocksman George Uhl round to fix the washbasin while I was out, I'd have a pretty uneasy feeling about it. George, in all the films I've ever seen him in, has never once been known to turn down the opportunity for a good fuck, and sure enough, when saucy young 'housewife' Amira shoves her arse in his face while he's adjusting the drain pipe, George knows he's not going to have to 'faucet'. Ahem, what follows is quite a classy scene – nothing too full-on for the raincoater crowd here – indeed not even any close-ups to speak off. All in all, I'd say this flick is shaping up to be one for the couples market.

Next up it's a radio repair man (how many of those do house calls?! Maybe in some places – but do they need to wear overalls?) Anyway, the job's clearly a good 'un, because it's not just the tuning knob that gets sorted to.

Before we're done at least one tradesman gets to use appropriate entrance, but for the most part this is tasteful enough stuff with some very eye-pleasing girls. **Available from your local sex shop.**

★★★★☆

BABES OF THE APOCALYPSE

CAST: Sienna Day, Jasmine Jae, Ava Koxxx, Chessie Kay, Valerie Fox, Sophia Knight.

Hats off to the folk at Adult Channel – they must have been lensing this one even before Trump's surprise victory, but now everyone's talking about apocalypses they're perfectly placed to cash in on things! And they've assembled a pretty strong cast of UK flampers, too, which should ensure the film piques the interest of plenty even if the apocalypse doesn't come off…

Sienna Day's trudging through a (rather verdant) apocalyptic world in *Mad Max*-stylee gear when she's mugged by some ruffians, but thankfully, thanks to a flash of her boobs, she's given sanctuary by Ryan Rider's gang of renegades. Ryan also gives her a good seeing-to, with a tremendous facial to finish.

There's not much plot, to be honest, but the styling's consistent, and the girls all put in fine turns – Valerie Fox and Chessie Kay both do themselves proud, and while Sophia Knight and Ava confine themselves to a cocks-less pairs, Jasmine Jae can always be relied upon to provide a happy finish! **Available from your local sex shop.**

Wicked Pictures

DIRTY TALK

CAST: Kleio Valentein, Britney Amber, Kat Dior, Lyra Law, Edyn Blair.

While I'd be the first to admit there's nothing finer than watching comely porn flampers getting fucked silly (well, there is one thing, but for some reason I don't often get the chance to do more than watch) – there are those out there who've got a thing for listening to girls talking dirty. I'm not averse to it myself, as it happens – so this film, which combines both elements, is bound to be something of a winner!

It's a little surprising, then, to see things kick off with Lyra Law neither talking dirty nor having it off, but having a harf-arsed game of volleyball. Thankfully she soon takes her clothes off, at which point I started to take a bit more interest.

★★★★☆

Cue a fast cut from the sporting silliness to slurping on her fella's knob, then rubbering him up and hopping on. It's a nice bunk-up, but there's little more filth spoken than the average grumble scene.

Kleio's more vocal in the next scene, with plenty of chatter to keep Tommy Gunn's dander up, especially as she deep-throats him to within an inch of his (jammy) life. Furry-fannied Kat seems to have mistaken dirty talk for a domestic dispute, but she more than makes up for it with her subsequent efforts. Britney and Edyn, meanwhile, both talk the talk as well as walking the walk with real aplomb.

ROXY

Age: 26 **Vital Stats:** 34AD-25-35 5'8"
Photographer: DDF

There's something about a girl in a tiny tartan mini-skirt, isn't there? Especially if she looks even half as hot as Roxy here! Mind you, she seems far more interested in her tights, doesn't she?

"I love wearing tights!" she explains. "I never wear knickers under them, so guys often get a flash of my shaven pussy through the thin material. And I love the way the seam rubs away between my pussy lips, too..."

Seams reasonable!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

In the summer, after I left sixth form, I got myself my first job in a pub in Exeter city centre. I've been really lucky to keep working there, despite the summer trade quieting down and the place becoming less busy – and all the other summer staff being laid off. I think this has mainly been because I've been sleeping with my manager, Jay, for a few months now.

It all started in my second week. Although I had fancied Jay from the moment he interviewed me, I didn't think I stood a chance, him being seven years older than me, and being my boss. But I was sure that in that first week, he was flirting with me. At the beginning of the second week, I had no doubts at all that he fancied me – especially when he asked me to work a few hours overtime on the Tuesday, to help him 'tidy up' at the end of a long day. I jumped at the chance, both to get a bit of extra cash in my pocket, but also to spend a bit of time alone with Jay.

I was slightly disappointed when it transpired that Jay had things to sort out in the back office and he asked me to clean up the bar area and dining room. I scolded myself for being such an idiot thinking that Jay had only asked me to stay behind to try it on with me, when it was now obvious that my overtime was to actually do some work! Still, I commiserated, just think of that extra money!

Getting stuck in to the job at hand behind the bar, figuring that the quicker I got it done, the quicker I could go home, I didn't hear Jay approach.

I was loading glasses into the dishwasher when Jay came over, supposedly to oversee my work. Our hands touched as he put a couple of empties in and when I looked up at him our eyes locked. In that instant we understood each other's needs. When he stepped back from me, grinning, and I saw the bulge in his jeans, all I could think of was his obviously formidable size, and the warm damp patch between my thighs.

Maintaining eye contact, there was no need for talking, and he leant in towards me and planted a tender kiss on my lips. I kissed him back, closing my eyes as he wrapped his arms around me and embraced me, kissing me deeper and pushing his tongue into my mouth. My heart fluttered, which was like pressing a button, and my clit throbbed. Sliding my hand down, I touched his bulging erection through his jeans. He sighed and pushed his crotch forward, encouraging me to stroke him through the material. I did, feeling the outline of his hard dick as his hands wandered over my petite frame, pausing to grope my bum.

I felt strange being seduced in the middle of the pub, even if it was after opening hours, but I felt a huge build up of sexual tension throbbing in my damp pussy. I shivered with pleasure as Jay pulled me tighter to him, flattening my breasts against his hard chest as his mouth ground down on mine, snogging me passionately. Bending down, he slipped a hand behind my knees and lifted me up in his strong arms, sitting me up on the bar and manoeuvring himself so he was standing between my parted legs.

> "I PUSHED THE FORESKIN BACK AND RAN MY TONGUE AROUND THE DEEP PURPLE TIP"

Hitching my dress up, he quickly pulled his T-shirt over his head and unbuckled his jeans, pushing them down so they were around the top of his thighs.

His cock was magnificent, rearing up from a nest of curling black pubes. It was an absolute whopper and my mouth watered as I thought how wonderful it would feel plunging inside me.

Jay's hands dropped to his sides and he pushed his cock towards me. I quickly reached for it and helped him put it inside my mouth. Pursing my lips, I pushed the foreskin back and ran my tongue around the deep purple tip.

He tasted rich and salty as I sucked and teased him with my tongue. His hands cradled my head, and his fingers moved in my hair, massaging my scalp as I took as much of his shaft as I could into my mouth. It was impossible to take his full length, so I squeezed the root of his cock while sucking on the head.

After a while, Jay grunted and, lifting me off the bar with my legs wrapped around his waist, he carried me to one of the pub sofas, where he laid me on my back and straddled me. Grasping both my wrists in

one hand, he held my arms above my head. It was so exciting to have him handle me in this way. My heart was beating wildly and my pussy ached to feel him inside me. I could hardly wait for him to push open my legs with a knee and enter me, and I pushed my pussy towards him invitingly.

Nudging my thighs apart to expose the wet folds of my hot pussy, Jay positioned himself between my legs, pressed his rigid cock against the opening to my hole, and pushed gently inside me.

My pussy gripped around his thick shaft and I arched my back as the friction of his large cock moving deep inside me sent my pussy into spasm. His breath came faster and with each thrust his big cock created the most heavenly throbbing inside my cunt.

"JAY PRESSED HIS RIGID COCK AGAINST THE OPENING TO MY HOLE AND PUSHED INSIDE ME. MY PUSSY GRIPPED AROUND HIS SHAFT..."

Slipping a hand between my thighs, he began teasing my clit, smoothing the slippery folds of my hood back as he thumbed my tingling nub. It pulsed with pleasure and I knew that I wasn't far off climaxing.

My hips worked back and forth as I slammed my pussy into him. Jay's back stiffened and his hands moved under me. He gripped a bum cheek in each hand as he plunged his cock fully inside me. Then his body gave a mighty jerk, and he spurted his warm jism deep inside my pussy, grabbing hard onto my arse as he pumped out every last drop.

My pussy felt ready to explode, and, as I rubbed hard on my clit, Jay set off my orgasm. I screamed out loud, unable to help the noise I was making, as my pussy muscles contracted and I came really, really hard.

The chemistry between us was electric, even after we'd fucked, and although neither of us wanted a relationship – especially a workplace relationship – the attraction between us is too big to ignore. So we've been seeing each other for six months now and the sex is still as good. I just hope none of the other staff members find out...

I've been going-out with my boyfriend, Dan, for nearly five months, and recently decided that it was time to let him in on a previously secret part of my life; one that I thought I'd left behind. Although I love him to bits, I've found that I'm not quite ready to settle down into a monogamous relationship just yet. I'm young and want a bit of variety in my sex life. I had previously found that variety through Chrissie, my best friend... via her contact with the local swinging community.

Chrissie had discovered the local swingers through a sexual dalliance she'd had with an 'older gentleman'. She had been barely able to contain her excitement as she dragged me to a converted cow shed that was affectionately known as the 'shagging shed'. A heat pump meant that it was comfortable to be naked in there at any time of year and there was no telling who you might see or what might happen with them. The first time we went, we were the youngest there by about 20 years and the only fun we had was with each other. However, subsequent trips proved more rewarding.

Chrissie was always keen to go and was even more enthusiastic when I told her that this time I was bringing along a bit of male entertainment of my own for her to share. We really hadn't been expecting to find anyone else there on a cold, wet and windy weekend but as we pulled onto the site, there was another tent already pitched.

"I'll keep them busy – why don't the two of you go and get cleaned-up?" Chrissie winked at me knowingly. Taking advantage

of Chrissie's offer, I grabbed our showering equipment and guided Dan into the 'shagging shed'. I'd just eased my boyfriend's erection inside my pussy when there was a clatter at the door.

"You don't mind if I just…," Chrissie

announced, as she marched into the shower block and pulled at the string knot of her bikini top. She gave me a dirty little wink as her tits spilled free before disappearing round the corner. Dan's surprise broke into a huge smile. If he thought that was good, he was going to love what we had planned for him. "The water's lovely," Chrissie called-out from round the corner. "How about you two lovebirds come and join me?"

"Do you want to?" I asked, nodding my head in the direction of the showers. Dan weighed-up his options and gave a non-committed grunt.

"Come-on then," I said, pulling myself off his lovely erection and guiding him by the dick to where my friend was showering.

Chrissie was delighted to see the two of us. "Well… hello, sailor," she said, looking down at Dan's cock as her breasts bounced back into shape after her soapy hands had compressed them. I stepped into the heavy flow of water, the powerful stream massaging my scalp. It swept my hair down and glued it to my shoulders. I squeezed Chrissie's boob as I kissed her. Her hands roamed down my back and she made me gasp as she grabbed hold of both cheeks of my bum.

"You two look good together… have you done this kind of thing before?" Dan asked.

"Might have done," we admitted simultaneously. We laughed and pulled each other closer, our breasts squashing together as we moved in for a proper snog.

Dan pressed in from the side. "Have you got room for a little one?" He asked, hopefully.

> DAN MOVED BEHIND ME AND EAGERLY DROVE HIS COCK BACK INTO MY PUSSY.

Chrissie snorted with laughter. "I'd hardly call that a 'little one'." She pulled back and I looked down, admiring every glistening inch of her firm, wet body. I watched as her hand wrapped around my boyfriend's cock. "Do you mind if I…?" I like the way she always asks my permission before fucking my boyfriends, as if I own them.

Leaving them to it, I peered through the steam and could just make-out two pink bodies. I padded over and found two nervous girls. They seemed mesmerised as I took their hands and headed back towards the sound of slapping flesh. They looked shocked. "She said that he's your boyfriend?" one of them asked.

"He is."

"Don't you… mind that she's fucking him?" the other one asked, sounding puzzled.

"Not at all – I like watching people have sex – almost as much as I like having it." The girls looked at each other, perhaps anticipating what I wanted from them. I saw a little shrug of acceptance. They introduced themselves as Ellen and Sophie – a couple on a hiking trip. "When you say 'couple' do you mean 'lesbian'?" I asked. I caught little worried looks passing between them before they both nodded. That made things even more exciting; I squirted shower gel onto my hands and soaped their torsos. They were uncomfortable but neither protested. The tension rose as my hands moved higher and cupped their breasts but the moment passed and I was able to tease their nipples and began to think about rubbing their pussies.

"Very nice," Chrissie said, before launching herself at a rather surprised looking Ellen. After a few moments of watching her 'friend' being devoured by mine, Sophie turned back to me. She looked relieved as I stepped in against her and gently held her chin as I moved my lips in against hers. The effect was somewhat spoilt as Dan moved in behind me and eagerly drove his cock back into my pussy. It felt wonderful but it was a rather inopportune moment. After a short but intense shag, Dan withdrew and he spun us on the spot. Sophie's eyes grew wide as she realised what was about to happen. She lurched against me like a domino falling as Dan pushed against her and then squealed as he stabbed his cock inside her.

"Oh my God, I can't believe I let him do that!" Sophie gasped, her hand covering her mouth in genuine shock as Dan moved on round the quartet of pussies. She laughed, her face screwing-up in delight. "I mean, I don't even know his name!" Dan had done me a favour by breaking the ice with Sophie. She didn't resist as I ran my hand down her belly and explored the bushy mat of pubic hair. She sighed as my fingers investigated lower and confidently guided them to her preferred spot. I had hoped that she would reciprocate but Sophie seemed totally intent on her own pleasure. And with good reason – barely 30 seconds had passed before her body tensed and she went into full orgasmic rapture.

She came quickly and recovered quickly. And what she did next took me by surprise. Rather than finger my pussy, Sophie pulled me out of the shower, dropped to her knees and pushed her face between my legs. It was immediately obvious that she was something of an expert. Her tongue-work was confident and delightfully playful. The sensations were amazing as I was licked-out by the lithe, little temptress. I loved the soft warmth of her body pressing eagerly against my leg, and the hungry urgency of her mouth as it worked my private flesh. I hate to admit it but she was much better than either Chrissie or Dan and I had to hold onto the pipework as my body responded to every majestic swirl of her tongue.

I wanted to come and gently lowered my crotch down onto Sophie's willing mouth. Her tongue responded, applying perfect pressure to my throbbing clit. The stimulation rose again as Sophie guided her fingers up my inner thigh, tickling all the way, and then pushed them firmly into my pussy. I could feel them moving, dancing inside me. The stimulation was intense and I couldn't believe the suddenness of the accompanying rush of pleasure. My orgasm had seemed so small and distant. Another snatched breath and I was engulfed by terrific spasms of ecstasy. I found myself holding Sophie's head in place until the convulsions eased and I could relax against the wall.

Sophie leant against me, allowing the hot water to cascade over our bodies. "Your pussy tastes like a little bit of heaven," she said, licking her lips. Her eyes were filled with lust. "It's just so… dirty: watching someone you love fuck someone else." As we watched, Chrissie and Ellen dropped to their knees with Dan standing over them, whacking-off. He gave me the biggest grin imaginable before firing his spunk over their up-turned faces. I held Sophie tightly as her hand moved more urgently between her legs. There were those same little spasms as her body crunched-up in orgasm.

"THE SENSATIONS WERE AMAZING AS I WAS LICKED OUT BY THE LITHE LITTLE TEMPTRESS..."

Dan couldn't help himself and spent the whole night flitting between tents. The poor thing wore himself out and had to take a couple of days off work. He told them that he'd 'done his back' but unfortunately for him, he couldn't say how…

Nubile Natalie hasn't always lived in this country, only moving to London when her father, "a big nob in the Spanish government", brought her here soon after her eighteenth birthday. Neither has the horny Catalan always been into bonking. There was a time when she was oblivious to men, preferring instead to keep boys as friends. "I was a tomboy, always hanging around in jeans and having a drink. Boys were just boys and what they had between their legs didn't interest me... until, that is, I came to Britain and met an older man who, to put nofiner point on it, wined, dined and

natalie

sixty-ninned me. My eyes — and legs — were opened and it was off with the jeans and on with a dress. Now I can't get enough of men. I can't believe I spent all those years with boys playing football when we could have been playing with each other!" Ⓜ

Classic

Call us old-fashioned, but we're rather glad to read that there was a time in Natalie's youth when she hadn't been into boys and bonking. It's called 'childhood'. Still, 25 years ago we can't help wishing we knew her when she did discover the delights of nookie! And 25 years ago must be about the last time anyone used the phrase 'Wined, dined and sixty-nined', too!

On Sale March 3rd

Stap me – I've barely got my head around the fact that it's not 2016 anymore, and here I am thinking about issue 3 for 2017. And what I'm thinking is this; "Hmm, just exactly which of the tasty treats we've got lined up for them next month should we let on about at this stage?" And then, as if by magic an email pops into my in-box pleading for more Adele Taylor and Holly Gibbons, both of whom were slated for 52.03, so that solved that little dilemma! If only life were always that straightforward, eh?
